# Llangollen Meet

Horseshoe Pass Cottages, Pen y Bryn LL20 8DW

**Walking:** The Clwydian Way is on our doorstep as are the limestone cliffs of Eglwyseg which combine to give one of the classic walks of N Wales.

The Berwyns are close at hand, and about 24 Nuttalls! Stunning views, beautiful countryside and a wealth of wildlife will make for a great meet.

**Climbing:** Much of the climbing is contained within the Eglwyseg valley.

This extends from the Trefor quarry area just behind Dinas Bran castle, to Worlds End, a few miles to the North. The crags are Limestone and whilst there is some quarrying at Trefor, most of the crags are in their natural state. There is a mixture of sport and trad climbing.

**MTB:** Llangollen and it's surrounding mountains have almost everything for the mountain biker. From canal towpaths, to drovers roads, big climbs, open mountain rides and Llandegla is only 15mins from here.

**Cycling:** Road cyclists will enjoy a good number of routes around Llangollen with some challenging mountain passes; and on quite roads too.

**BEDS:** 14+ in various rooms - However we usually reserve a room for the ladies.  
**COST:** £40 the weekend, payable on the weekend, plus around £4 for a two course dinner. Bring your own beer or wine (or tea) and don't forget your other food for Fri/Sat and NO sleeping bag is necessary.

**STUFF** you need to know: These converted 17th-century farm buildings are set in lovely walled gardens with a stream running through. The mountains can be accessed directly from the gardens.

We have booked three cottages which are all linked internally, the centre one being the biggest and with a large inglenook fireplace and group diner.

**BEST PUB :** Britannia Inn, is situated at the end of the drive.
